

**LODGE WILL NOT
BUILD HOSPITAL**

Odd Fellows Will Not Secure
Sufficient Amount From
Shirey Estate, It Is
Announced.

The will of the late A. W. Shirey, of Minturn, who left all of his property to the Odd Fellows lodge of Arkansas, will not be followed out in the matter of building a sanitarium at Hot Springs and an orphan's and widows' home in Lawrence county. Grand Master Louis Josephs of Newport was in Little Rock yesterday and stated that the settlement of the Shirey estate would not leave sufficient funds to carry out those provisions of the will. That portion of the estate which goes to the Odd Fellows will be turned into the general treasury of the lodge. It is not known now for what purpose the money will be used.

Under the terms of the settlement the lodge will get 40 per cent of the estate, the widow 40 per cent, and the remainder of the heirs 20 per cent. Mr. Josephs stated yesterday that the value of the estate had been overestimated and declared that he does not believe it will prove to be worth more than \$250,000.

Appraisers will be appointed this week to estimate the value of the estate.

Grand Master Josephs will go to Pine Bluff today to attend a meeting of the lodge there, at which 100 candidates are to be initiated. From there he will go to Walnut Ridge to attend to business connected with the division of the estate.
